Candidates' Forum:

FPACC, Inc. is hosting a forum for all candidates, Republican and Democrat, for County Commissioner to discuss the issues facing Finksburg and the county. Each candidate will be asked questions from FPACC and residents in the audience. The candidates will have 2 minutes each to respond. Please come out and participate in this event. The General election is in November but the Primary is next month

September Meeting To Include Forum For General Assembly Candidates:

FPACC has tentatively planned on having a local General Assembly candidates' forum in September. Invitations will go out in the next week. FPACC encourages you to attend and hear about the issues facing the state and Carroll County from the people we are paying to represent us.

Design Standards In Final Form:

The FPACC board has completed its work on the proposed design standards for the Gateway. We think these plans are adequate and should be approved. However it is our understanding that the plans have been put on hold until the newly hired architect can fully review them. The design standards can be seen

by going to our website, www.finksburg.org.

Picnic draws Big Crowd:

Another FPACC picnic has come and gone. About 30 people attend the July picnic at Sandymount Park. All had good food, drinks and conversation.

Be Informed. Attend the Next Meeting!
