The Carroll County Times and the Finksburg Planning and Citizens' Council Inc. has invited the Maryland Department of Planning (MDP) to present PlanMaryland to Carroll County residents.

What is PlanMaryland? Why is it needed? What does it include? How will it be implemented? MDP will answer these and other questions in a 30- to 40-minute presentation and then take questions. MDP will also ask additional questions about the kinds of things the state and local governments will need to do to help implement the plan.

We hope you can join us on Thursday, July 28, from 7 p.m. to 9 p.m., in Room K100 at Carroll Community College for this informative presentation, and to provide an opportunity for you to get your questions answered concerning growth in Carroll County, and how our communities' master plans fit in to the greater picture of growth for Maryland as a whole.
