[More Information](#) , [Proposed Land Use Map of Finksburg](#)

The 2014 Carroll County Master Plan is now up for 60-day public review after it was accepted Tuesday (8/19/14) by the Carroll County Planning and Zoning Commission.

Of note to the Finksburg area is the new land use designation of **Employment Campus** that has been proposed for the Gerstell Academy property. Also of note at the 8/19 meeting was some confusion about the inclusion of a [letter from the commissioners](#) to be added as part of the plan. The Carroll County Planning and Zoning Commission will host a **public hearing on November 5, 2014** beginning at 6:00 p.m. at the Carroll County Community College, Building K, Room 100, located at 1601 Washington Road, Westminster, Maryland 21157. The purpose of the public hearing is for the Planning and Zoning Commission to accept testimony from the public with regards to the 2014 Carroll County Master Plan. The hearing format does not provide for a

question and answer exchange. Those wishing to testify will have to sign-up before the hearing and will have three (3) minutes to speak. Previously there were five (5) public outreach forums for question and answer exchange held in various locations throughout the county. A full copy of the Accepted Plan is available for review prior to the hearing, during regular office hours at the Carroll County Department of Planning, Room 204, Carroll County Office Building, 225 North Center Street, Westminster, MD 21157, or on the Department's website at <http://ccgovernment.carr.org/ccg/compplan/masterplan2014/>. You may also call and request a hard copy of the plan.
