► **Finksburg Facade Improvement Program!**

We are pleased to announce the Finksburg Sustainable Community was awarded \$50,000 for a Facade Improvement Program from the State of Maryland.

The Carroll County Department of Planning, in conjunction with the Finksburg Planning and Citizens' Council Inc, applied and was awarded the grant.

The result of a joint effort of FPACC and our wonderful county planning department partners.

This is to improve the appearance of building façades and signs within the Finksburg Sustainable Community boundaries.
